Kevin,

I put the drafting date of the current schedule as 1/26/11 since that's when Gary sent it out. He recommended that I put Friday's date as the approval date for this schedule. I am sending out the latest action item log. Upon the site team's approval, I will send it out to everyone.

My comments regards item #2. It would be helpful if the date of the drafting of the schedule be added. I don't know what the last schedule is, and it would be helpful if the most recent be passed along to me.
